You are ready to start!

You are ready to Start ! Your account has been created.

Download the myneo App now.

It has everything you need to get you started on your English journey.

1. Once you have completed your Placement Test a link to fill out the required information to register for NEO+ will be sent to your e-mail

2. Once you have set your password, select "Choose File" to upload a photo of you. **Your Name, E-mail address, phone number, and "Level" is taken from the information that you have registered before taking the Placement Test and cannot be changed.**

3. Please upload an appropriate photo of yourself since the uploaded photo will be displayed on your Official Certificate.

4. Once you have finished filling out the required information and uploading your photo select "Confirm" the message "You are ready to start" will appear. You are now able to start studying after downloading the application.
